**ORDER:**

The H.M. & F.W. Department have stated that the Director of Medical Education, Hyderabad has informed that there is a provision made available to the doctors working in A.P.M. & H.S. for drawl of their salaries while they are undergoing P.G. courses in various specialties, and the percentage of in - service P.G. seats has been increased from 15% to 30% in clinical specialties and from 30% to 50% in non – clinical specialties. Therefore, many of the doctors working in teaching institutions are preferring to prosecute higher / PG qualification under service quota. The salaries of such in – service PG doctors are being claimed against the sanctioned posts of teaching hospitals / colleges by keeping them unfilled. Resultantly the availability of the physical strength of doctors is decreasing, which caused irrecoverable damage to the patient care in the teaching hospitals. Due to increased percentage of P.G. seats under in – service quota, every year nearly 100 doctors who are working under the Control of Director of Medical Education opt to study PG courses as in – service candidates and their PG lien is being shown in the existing cadre strength of the Director of Medical Education which blocks the posts for nearly 3 years till completion of their P.G. courses, effecting the teaching and patient care. The DME., has therefore, requested the Government to sanction 100 posts of Civil Assistant Surgeon to the Director of Medical Education for drawl salaries of in – service PG's in addition to the existing 200 posts sanctioned, in G.O.Ms.NO.188, HM&FW (B2) Dept., dt.30.05.2000 for claiming the salaries of the in – service PG doctors and kept under the exclusive control of Director of Health, A.P. Hyderabad.

**2.** The Government after careful examination of the matter, hereby sanction (100) posts of Civil Assistant Surgeon in the scale of Rs.11755 – 26300 to the Office of the Directorate of Medical Education, Hyderabad for the purpose of drawing salaries of the in – service Doctors deputed for P.G. studies under service quota.

**3.** The H.M. & F.W. Department shall take necessary further action accordingly.
